

VETO GUNMAGEDDON

Protect your 2nd Amendment rights in California

Did you know?

7 new gun control laws were signed by Governor Jerry Brown in July 2016.
The new laws will take effect on or after January 1, 2017.

What will the new gun control laws do? Among other things the new laws will:

- Expand the definition of “*assault weapons*” and ban their sale or transfer (AB-1135, SB-880)
- Require an ID and background check to purchase ammunition (SB-1235)
- Keep records of gun owner’s ammunition purchases (SB-1235)
- Require a background check to loan a firearm to someone other than a close family member (AB-1511)
- Ban possession of ammunition magazines that accept more than 10 rounds. (SB-1446)
- Make it a misdemeanor to knowingly make a false report that a firearm has been lost or stolen (AB-1695)
- Require a serial number on all firearms (AB-857)

THINK ABOUT IT! On January 1st, your AR-15 with a bullet button and a pistol grip or a collapsible stock becomes an assault weapon. You are not allowed to sell it. When you die, your heirs cannot inherit it. When you purchase ammo for any of your guns, the government keeps a record of the purchase. You need an FFL to loan your guns to your friends.

What is VETO GUNMAGEDDON?

It is an all-volunteer grassroots effort to put 7 referendums on the November ballot to repeal the new gun control laws. To be placed on the ballot, each referendum needs **365,880 VALID signatures** by **September 29, 2016**.
