

## **Occupational Medicine Collector Job Notice**

Comprehensive Drug Testing, Inc. (CDT) in Irvine, CA has managed workplace drug testing programs for over 30 years. We are seeking a dynamic, detail-oriented individual with law enforcement background for part-time and/or full-time employment as a collector and trainer for our Occupational Medicine clients.

Collectors have an important role in the drug testing process: performing urine and breath sample collections and ensuring proper chain of custody. DRE experience, knowledge of Department of Transportation (DOT) regulations, experience as an instructor or supervisor are desired but not mandatory. Training will be provided.

The candidate must have a very flexible schedule for off-site assignments in Los Angeles and Orange County. We also have a need for someone in the Fresno area.

Send resume to: [collectors@cdtsolutions.com](mailto:collectors@cdtsolutions.com) and include "CHP OccMed Collector" in the subject line as reference to this ad.
