<p>As a member of the above association I hereby authorize the California Public Employees' Retirement System to withhold from my retirement allowance, in accordance with the rules of said system, deductions for membership dues until such time as I file in the office of said association a written request for termination of deductions. I further authorize the association to certify to the California Public Employees' Retirement System the amount of the dues to be deducted, and any subsequent changes in said amount. I understand that CalPERS cannot process a termination notice received directly from me, and that excess deductions, taken in error, will be refunded to me by the association and not by CalPERS.</p>
